HOST YOUR EVENT AT THE HEART OF INNOVATION

Whether you're planning a corporate gathering, investor conference, product launch, staff retreat, or gala, the Computer History Museum offers a distinctive and modern setting that elevates any event. It's a one-of-a-kind Silicon Valley venue.

With versatile indoor and outdoor spaces, cutting-edge AV technology, and the flexibility to bring in your preferred vendors, CHM provides an unparalleled event experience without the limitations of traditional hotel and conference venues. As a bonus, your guests can immerse themselves in the Museum's world-renowned exhibits, exploring the breakthroughs and innovations that shaped our digital world—a unique experience not available at any other event space in Silicon Valley. Plus, the convenience of complimentary on-site parking makes it easy for your attendees to arrive stress-free.

Let us help you create an experience as innovative as the technology that shaped our world.
